Bailey's Knows Wine

Wine List Wins Wine Spectator Award of Excellence

Seabrook, Texas – July 23, 2009 – Bailey's American Grille recently received the distinguished Award of Excellence from *Wine Spectator Magazine*. The award is presented to only those restaurants that present a well-chosen selection of wines as well as a "thematic match" to the menu in both price and style of wines.

Bailey's Wine Director, Chris Colin, submitted the Bailey's wine list and dinner menu to *Wine Spectator*. Wine lists submitted were required to provide vintages, appellations and prices for all wine selections on the menu. Lists were not only judged on content but also overall presentation and appearance of the list. For the Award of Excellence, Bailey's will receive a certificate as well as listing in the August 31, 2009 issue of *Wine Spectator*.

"We offer a great selection of wines for our guests and this award attests to that," said Brad Bailey, owner of Bailey's American Grille. "Chris has done an outstanding job of gathering wonderful varietals and brands of wines that not only create an award-winning list, but also please our guests."

Bailey's American Grille is a unique neighborhood eatery that offers delicious food, the finest wine and outstanding service in a chic, comfortable atmosphere. Located off of NASA Parkway in Seabrook, Texas, Bailey's is the third restaurant in a line of successful Bailey Family dining establishments that include Sudie's Seafood House in League City and Sudie's Catfish House Pasadena.
